## SEKTON

LIMITED EDITION

We are pleased to announce our Limited Edition SEKTON as a reissue legacy design. First released in 2019, SEKTON quickly became a highly sought after and beloved DITA frame. Originally inspired by contemporary architecture, SEKTON is a sculpted acetate frame that artistically emphasizes the infrastructure of the frame intentionally exposing the interior titanium construction through clean acetate cutouts. Featuring a new design detail, SEKTON reveals DITA's new limited edition 5-barrel hinge plate showcasing pressed line detail, laser DITA shield logo, and hand-applied colored enamel finish.

This Limited Edition frame is now available in three color ways: Matte Black - Silver, Ink Swirl - Yellow Gold, and Burnt Timber - Yellow Gold. Limited Edition SEKTON is only available while supplies last at [DITA.com](https://www.dita.com), DITA Flagships, and select Authorized Retailers.
